it however observed that
out of a total of Rs 7845

a sum of Rs 4045 has
already been recovered

may be suspended for
the present, especially
as the value of the
landed properties may now

be considered to afford sufficient security for the balance of the loan. The Dy. Commr is therefore requested to stop the sale ~~fixed to take place on the 8th inst~~, as already requested by wire and to grant time to the petitioners as prayed for by them. The bank if not already wound up, may continue to realize. The petitioners however should be distinctly warned that the time now granted is only a concession and that any default in the punctual payment of the instalments still remaining to be paid will be followed by coercive measures for their collection.
